**NOTICE OF UNLICENSED OPERATION**

Case Number: EB-06-DV-037  
Document Number: W20063280003

The Denver Office received information that several companies were operating an unlicensed radio system on 461.7250 MHz in the Denver, Colorado, area and causing interference to licensed users on that frequency. On February 14 - 16, 2006, an agent from this office identified one of the users by direction finding techniques and through a telephone interview. The user, identified as L & B Escorts, admitted operating on 461.7250 MHz for approximately one month. The Commission's records show that no license was issued to L & B Escorts for operation on frequency 461.7250 MHz in Denver, Colorado.

Radio stations must be licensed by the FCC pursuant to 47 U.S.C. § 301. You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of 47 U.S.C. § 301 and could subject the owner of this illegal operation to severe penalties, including, but not limited to, substantial monetary forfeitures, *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment. (See 47 U.S.C. §§ 401, 501, 503 and 510.)

**UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.**

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the FCC. Your response should be sent to the address in the letterhead and reference the listed case and document number. Under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.
